EDUCATION

University of Pennsylvania, Ph.D., 1983

John Carroll University, A.B., 1978

ACADEMIC POSITIONS

Professor, Michigan State University, 1995-

External Fellow, Leverhulme Centre for Research in Globalization and Economic Policy,
University of Nottingham, June 2001-

Director of Graduate Programs, Michigan State University, 1995-1999

Visiting Research Fellow, the Australian National University, June-July 1994

Associate Professor, Michigan State University, 1988-1995

Assistant Professor, Michigan State University, 1983-1988

REFEREED PUBLICATIONS

“Globalization and Firm Level Adjustment with Imperfect Labor Markets,” (with C. Davidson and A. Shevchenko) *Journal of International Economics* (forthcoming)

“Outsourcing Peter to Pay Paul: High Skill Expectations and Low-Skill Wages with Imperfect Labor Markets,” (with C. Davidson and A. Shevchenko) *Macroeconomic Dynamics* (forthcoming)

“Can Compensation Save Free Trade?” (with C. Davidson and D. Nelson). *Journal of International Economics* March 2007: 167 – 186.

“Fairness and the Political Economy of Trade” (with C. Davidson and D. Nelson). *World Economy* August 2006: 989 - 1004.

- “Trade Liberalization and Compensation,” (with C. Davidson). *International Economic Review* August 2006: 723 - 747.
- “Long Run Lunacy, Short Run Sanity: A Simple Model of Trade With Labor Market Turnover,” (with C. Davidson) *Review of International Economics* May 2006: 261-276.
- “Trade and Turnover: Theory and Evidence,” (with C. Davidson). *Review of International Economics* November 2005: 861 – 880 (with C. Davidson).
- “Trade, Turnover, and Tithing,” *Journal of International Economics*, May 2005: 157-176 (with C. Magee and C. Davidson).
- “An Overlapping Generations Model of Escape Clause Protection,” *Review of International Economics* November, 2004: 749-768 (with C. Davidson). Reprinted in *Adjusting to Globalization*, David Greenaway, ed., Blackwell Publishing, 2005, and *The WTO, Safeguards, and Temporary Protection From Imports*, Chad Bown, ed., Edward Elgar Publishing, 2006.
- “Globalization and Labour-Market Adjustment: How Fast and at What Cost?” *Oxford Review of Economic Policy*, Autumn 2000: 42-56 (with C. Davidson).
- “Trade and Search-Generated Unemployment,” *Journal of International Economics*, August 1999: 271-299 (with C. Davidson and L. Martin). Reprinted in *Recent Developments in International Trade Theory*, Rodney E Falvey and Udo Kreckemeier, eds. Edward Elgar, forthcoming.
- “Calibrating the Employment Effects of Trade,” *Review of International Economics*, November 1998: 592-603.
- “International Trade, the Division of Labor, and Unemployment,” *International Economic Review*, February 1996: 71-84.
- “International Trade Policy in a Model of Unemployment and Wage Differentials,” *Canadian Journal of Economics*, November 1994: 939-949. Reprinted in *Globalization and Labour Markets*, D. Greenaway and D. Nelson, eds., Edward Elgar, 2001.
- “Jobs and Chocolate: Samuelsonian Surpluses in Dynamic Models of Unemployment” *Review of Economic Studies*, January 1994: 173-192 (with C. Davidson and L. Martin).

- “Multiple Free Trade Equilibria in Micro Models of Unemployment,” *Journal of International Economics*, August 1991: 157-170 (with C. Davidson and L. Martin).
- “The Structure of Simple General Equilibrium Models with Frictional Unemployment,” *Journal of Political Economy*, December 1988: 1267-1293 (with C. Davidson and L. Martin). Reprinted in *Globalization and Labour Markets*, D. Greenaway and D. Nelson, eds., Edward Elgar, 2001.
- “Some Welfare Implications of Job Mobility in General Equilibrium,” *American Economic Review*, March 1988: 261-266 (with E. Grinols).
- “Search, Unemployment, and the Production of Jobs,” *Economic Journal*, December 1987: 857-876 (with C. Davidson and L. Martin).
- “Implicit Contracts, Unemployment and International Trade,” *Economic Journal*, June 1986: 307-322.
- “The Heckscher-Ohlin-Samuelson Model with Implicit Contracts,” *Quarterly Journal of Economics*, November 1985: 1313-1329. Reprinted in *Paul Samuelson: Critical Assessments*, J. C. Wood and R. N. Woods, eds., Routledge, 1988.
- “Analysis of Performance Standards for Foreign Direct Investments,” *Canadian Journal of Economics*, November 1985: 876-890 (with C. Davidson and M. Kreinin).

OTHER PUBLICATIONS

- International Trade and Labor Markets: Theory, Evidence, and Policy Implications* (with Carl Davidson), the W. E. Upjohn Institute for Employment Research, 2004. Selected in 2005 as a Noteworthy Book in Industrial Relations and Labor Economics by the Industrial Relations Section at Princeton University.
- “Should Policy Makers be Concerned About Adjustment Costs?” (with Carl Davidson) in *The Political Economy of Trade, Aid and Foreign Investment Policies*, Devashish Mitra and Arvind Panagariya, eds., Elsevier, 2004, pp. 31 - 67.
- “Labor Market Structure and its Influence on Trade Related Outcomes: Some Initial Findings” (with Carl Davidson) in *Empirical Methods in International Trade: Essays in Honor of Mordechai Kreinin*, Michael Plummer, ed. Edward Elgar Press, 2004, pp. 72 - 90.
- “Trade Policy Reform and Labor Market Dynamics: Issues and an Agenda for Future Research,” in *The Impact of Trade on Labor: Issues, Perspectives, and*

Experiences from Developing Asia, Rana Hasan and Devashish Mitra, eds. North-Holland Publishers, 2003, pp. 99-125.

“Globalisation, Employment, and Income: Analysing the Adjustment Process,” (with C. Davidson) in , *Trade, Investment, Migration and Labour Market Adjustment*, D. Greenaway, R. Upward, and K. Wakelin eds., Palgrave Macmillan, 2002, pp. 66-92.

“Adjusting to Trade Policy Reform,” in *Economic Policy Reform: The Second Stage*, A. Krueger ed., University of Chicago Press, 2000, pp. 365-399 (with David Tarr). Reprinted in *The WTO and Poverty and Inequality*, L. Alan Winters, ed., Edward Elgar Publishing.

“A Survey of the Theory of International Trade Policy with Implications for Local Development,” in *Proceedings of Korea-U.S. Symposium on Globalization and Local Development*, Kyeongnam Development Institute, 1995, pp. 201-221.

“Comment on ‘U.S. and Swedish Direct Investment and Exports,’ by M. Blomstrom, R. Lipsey, and K. Kulchycky,” in *Trade Policy and Empirical Analysis*, R. Baldwin ed., University of Chicago Press, 1988, pp. 297-299.

WORK IN PROGRESS

“Adjusting to Globalization: An Empirical Investigation of the Choices of Heterogeneous Workers and Firms,” (with C. Davidson and S. Zhu)

“Fairness and Trade” (with Carl Davidson and Douglas Nelson)

PAPER PRESENTATIONS

“A Ricardian Model of International Trade with Uncertainty: An Application of Implicit Contract Theory” at the Spring 1984 meeting of the Midwest International Economics Group, University of Illinois.

“The Heckscher-Ohlin-Samuelson Model with Implicit Contracts” at the Michigan State University, departmental seminar, Spring 1984 and the Econometric Society meetings December 1984.

“Unidirectional Factor Mobility and International Trade” at the Fall 1984 meeting of the Midwest International Economics Group, Northwestern University.

“A Theory of Factor Markets, Underemployment, and Factor Mobility” at Michigan State University, departmental seminar, Spring 1985.

“Search, Unemployment, and the Production of Jobs” at the Fall 1985 meeting of the Midwest International Economics Group, Michigan State University.

“Diverse Factor Endowments, Frictional Unemployment, and the Incentive to Trade” at the University of Western Ontario, departmental seminar, November 1986.

“The Structure of Simple General Equilibrium Models with Frictional Unemployment” at the University of Chicago, departmental seminar, April 1987.

“Trade, Jobs, and Welfare: A Search-Theoretic Approach” at the Fall 1987 meeting of the Midwest International Economics Group, University of Michigan.

“Multiple Free Trade Equilibria with Frictional Unemployment” at Michigan State University, departmental seminar, Fall 1988 and the Econometric Society meetings, December 1988.

“Optimal Commercial and Domestic Policies in a Model of Search with Finite Life” at the NBER Summer Institute, 1989, Cambridge, MA.

“A Search-Theoretic Approach to Unemployment and International Trade: Where Have All the Good Jobs Gone?” at the Sixth World Congress of the Econometric Society, August 1990, Barcelona, Spain.

“Industrial Trade Policy in an Efficiency-Wage Economy”, at departmental seminars at the University of Western Ontario (March 1991), Purdue University (April 1991), Indiana University (April 1991), the University of Kentucky (September 1992) and John Carroll University (March 1993).

“International Trade, the Division of Labor, and Unemployment” at Michigan State University, departmental seminar Fall 1993, the Fall 1993 meeting of the Midwest International Economics Group at the University of Wisconsin, the July 1994 meeting of the Australasian Econometric Society, and the Reserve Bank of Australia (July 1994).

“Intraindustry Specialization and the Gains from Trade with Variable Employment” at the Australian National University (July 1994) and Michigan State University (October 1994), departmental seminars.

“The Employment Effects of Intraindustry Trade” at the University of Colorado, departmental seminar, December 1994.

“Calibrating the Employment Effects of Trade” at the Spring 1995 meeting of the Midwest International Economics Group, the University of Iowa.

“A Survey of the Theory of International Trade Policy with Implications for Local Development” at the Korea-U.S. Symposium on Globalization and Local Development, Changwon, South Korea, December 1995.

“The Functional Distribution of the Gains From Trade: The Case of Intraindustry Specialization,” departmental seminar at the University of Windsor (Fall 1996) and the Southeast Economic Theory and International Economics meetings at Florida International University, Fall 1996.

“International Trade, Labor Markets, and the Poor” at the University of Western Michigan departmental seminar (February 1999).

“The Impact of Trade on the Distribution of Employment and Wages: the View from Main Street to the Mainstream” (with Carl Davidson) at the Upjohn Institute for Employment Research (May 1999).

“Globalization, Employment, and Income: Analyzing the Adjustment Process,” (with C. Davidson) at the International Economics Association meetings (July 2000) at the University of Nottingham, and the Fall 2000 Southeast Economic Theory and International Economics meetings at Rice University.

“Trade Policy Reform and Labor Market Dynamics: Issues and an Agenda for Future Research” at the Conference on International Economic Integration and Labor Markets (January 2001) at the East-West Center, and at Wayne State University in a departmental seminar.

“Job Turnover and International Trade: An Empirical Link?” (with Carl Davidson) at the Upjohn Institute for Employment Research (April 2001), the Spring 2001 Midwest International Economics Group meetings at the University of Wisconsin, and Michigan State University departmental seminar (Spring 2001).

“Trade and Turnover: Theory and Evidence,” (with Carl Davidson) the University of Nottingham (June 2001) departmental seminar, conference on International Perspectives on Labour Market Turnover, University of Nottingham (June 2003).

“Long-Run Lunacy, Short-Run Sanity: A Simple Model of Trade with Labor Market Turnover,” (with Carl Davidson) the University of Nottingham (May 2002) departmental seminar.

“Trade Liberalization and Compensation,” (with Carl Davidson) Florida International University (March 2003) departmental seminar.

“Compensated Trade Reform and the Median Voter,” (with Carl Davidson) University of Nottingham (May 2003) departmental seminar.

“Recent Research and New Opportunities on *Globalisation and Labour Markets*,” Leverhulme Centre for Research on Globalisation and Economic Policy Research Retreat, (May 2003).

“Can Compensation Save Free Trade?” (with Carl Davidson and Douglas Nelson), Syracuse University (November 2003), and Midwest International Economics Group Meeting (May 2004).

“Fairness and the Political Economy of Trade,” (with C. Davidson and D. Nelson), The Political Economy of Fairness and Globalization Conference, Tulane University (April 2005).

“Fairness and the Political Economy of Trade,” (with C. Davidson and D. Nelson), the University of Nottingham (May 2005) departmental seminar.

“Outsourcing Peter to Pay Paul: High Skill Expectations and Low-Skill Wages with Imperfect Labor Markets,” (with C. Davidson and A. Shevchenko), Asia Pacific Trade Seminar, Kobe University (July 2006).

“Outsourcing Peter to Pay Paul: High Skill Expectations and Low-Skill Wages with Imperfect Labor Markets,” (with C. Davidson and A. Shevchenko), The Impact of International Competition on Firms and Workers Conference, the University of Nottingham (November 2006).

“Search Theory and International Trade,” Kobe University (July 2006), pre-conference seminar.

“Globalization and Firm Level Adjustment with Imperfect Labor Markets,” (with C. Davidson and A. Shevchenko), Georgia Institute of Technology (April 2007), departmental seminar.

“Employment Risk and Fairness in the Political Economy of Trade Policy,” Workshop on Institutions, Policy Performance, and Cooperation: Brazil and Global Context, (with C. Davidson and D. Nelson), Michigan State University (April 2007)

“Globalization and Firm Level Adjustment with Imperfect Labor Markets,” (with C. Davidson and A. Shevchenko), University of New Hampshire (September 2007), departmental seminar.

“Globalization and Firm Level Adjustment with Imperfect Labor Markets,” Workshop on Institutions, Policy Performance, and Cooperation: Brazil and Global Context, (with C. Davidson and A. Shevchenko), FGV, Sao Paulo, Brazil (December 2007).

“Globalization and Labour Markets: Past, Present, and Future,” Leverhulme Centre for Research on Globalisation and Economic Policy Research Retreat (May 2008)
